Summer league is under way and there is room for anyone interested in participating. Come out for some competitive fun on Monday nights through the end of August! Remember, your scores won't count if your membership isn't current!

FYI There is talk of making our club grounds available for the purpose of setting up a sporting clays course. Greg Cooley has detailed information on this idea and is asking for your opinion. Would you support being able to shoot sporting clays at the RCC? We would have to jump through some administrative hoops with zoning and facility issues, but the potential for growth could make it well worth the effort. If you have an opinion, please make your voice heard!

Don't forget, the fiftieth anniversary event is the weekend of August 20-21, 2011. Nineteen intrepid souls chartered this organization in 1961 and we would like to take the opportunity to thank them for their vision and leadership. What they started fifty years ago is continuing today because of you!

See you at the annual meeting,
John Whitesel – Club Secretary
